Goals of the T.L.C. Program

1. Social Growth: Our goal for your preschooler is to develop skills of sharing, listening, and participation. We will help them develop respect and fairness to themselves, others, and property.
2. Physical Growth: Your child will be given the opportunity to develop large and fine motor skills through planned activities and play.
3. Language Development: Your child, through group and individual activities, such as show and tell, puppet shows, songs and fingerplays, will have an opportunity to develop language skills.
4. Perceptual Development: Through the use of puzzles and games, your child will develop a perceptual awareness of his surroundings and become more independent.
5. Emotional Growth: Our goal is to have your child develop a positive self-concept.
6. Intellectual Growth: We will create an atmosphere of learning readiness by increasing the child's attention span and perceptive abilities.
